RULES & REGULATIONS - MASTERS TOURNAMENT

1. This is an individual match game event open to all certified members of the Metro Detroit USBC who bowled 21 games or more in the Metro Detroit USBC Association the previous season or MDUSBC members with 21 games or more in the current season in any given league in the MDUSBC as of first day of qualifying. Members of another association can become members and bowl by paying the local association fee of \$8 and meeting the eligibility requirements set forth above. If a bowler resides within the boundaries of the MDUSBC and is not bowling in any league this season, they may purchase an affiliate card for \$19.00 and be eligible to bowl in the tournament provided they meet the eligibility requirements set forth above.
2. The tournament is limited to the first 160 bowlers with 32 bowlers qualifying for head to head matches. The defending champion will be seeded 9th into the match play competition, unless they qualify in a higher position which is where they would be seeded but must pay for and bowl in qualifying rounds to be eligible.
3. In qualifying rounds, bowlers will draw for lanes on Saturday and will bowl 10 games across 20 lanes over two days moving after each game.
4. If there is a breakdown and an unreasonable delay, tournament manager can authorize reasonable practice. If there is a breakdown tournament manager can reassign bowlers.
5. In the case of a tie for 32nd place or alternate position, one additional game will be bowled by those bowlers tied. The bowlers will draw for starting lanes and the bowler with the odd lane will start the roll-off. If a tie exists after the one game rolloff a 9th and 10th frame rolloff will be conducted. Bowlers will begin the rolloff on the lane on which the bowler finished the previous game. As in all other games, the bowler on the odd lane will start.
6. Failure of any bowler to be available in case of a tie will constitute a forfeit. In the event of a tie for any other position, the player with the high game in qualifying round will be placed in the higher position. Should a tie still exist, then next highest qualifying game will be used. **FIRST ALTERNATE MUST BE PRESENT AT THE START OF HEAD TO HEAD MATCHES TO BE ELIGIBLE TO RECEIVE THEIR PRIZE.**
7. If a bowler is unable to appear for the first round of match play, an alternate will be given the opportunity to replace them in the schedule. Such alternate or alternates will be the next highest participant from the qualifying round.
8. After the first round **NO SUBSTITUTES WILL BE PERMITTED.**
9. Non-appearance, regardless of cause, will constitute forfeiture of the match and the player present will bowl their game without opposition to advance to succeeding round. If the forfeiture occurs in the **WINNERS BRACKET**, the absent bowler automatically goes in to the proper position in the **LOSERS BRACKET**.
10. Bowlers must lose two matches to be eliminated from the tournament.
11. Each match will be over three games, total pins determine the winner. Pairings for the initial round of 16 matches will be based on the finish of the contestants in qualifying rounds, 1-32, 2-31, etc. Pairings will continue on a bracket system, which will be on display at tournament counter. Eight competitors (4 in winner's bracket and 4 in loser's bracket) will return the following Saturday to complete the event.
12. In match play only one player assigned to a lane. The order of bowling will be according to match game procedure with the bowler on the odd lane starting first. Bowlers start the first game of the series on the lane assigned. Succeeding games will be started on the lane where the tenth frame of the preceding game was bowled.
13. If a match ends in a tie, a 9th and 10th frame rolloff will be conducted. Bowlers will begin the rolloff on the lane on which the bowler finished the previous game. As in all other games, the bowler on the odd lane will start.
14. Dress code enforced by Masters Committee. No jeans, hats or shorts to be worn during competition.
15. Tournament management will correct obvious errors, including math errors, in accordance with USBC Rule 327b.
16. **NOTE: Bowling balls of qualifiers must be checked upon request from tournament officials that such equipment be checked. All balls used must be recorded on the bowler's score sheet for all competitors. Any bowler having a ball not in compliance with USBC specifications will be disqualified.**
