Bowler on the odd lane will shoot first, but instead of completing the frame, the contestants will alternate shots until broken.
5. In the event of a tie for any other position, the player with the highest game will be placed in the higher position. Should a tie still exist, then the next highest game will be used.
6. If a match ends in a tie, a 9th and 10th frame roll-off will be bowled to break the tie with each bowler starting on the lane where they finished the match. As in all other games, the bowler on the odd lane will start.
7. Each match will be one game to determine the winner. Pairings for the initial round of matches will be based on the finish of the contestants in qualifying round. Pairings will continue on a bracket system. In the final match play game, the bowler with the higher qualifying seed will have choice of starting lane after practice has ended.
8. Qualifying round will be four games total pinfall over eight lanes moving after each game.
9. All bowling equipment must be approved by USBC and no bowling ball can be used prior to release date to the public. If found using either of the above, the bowler will be disqualified.
