### MCKAY TOURNAMENT RAISES OVER **\$11,000 FOR CHARITY**

The 29th Annual Tom McKay Pro-Am Invitational (formerly the Steve Cruchon Memorial Pro-Am) was held in December at Sterling Lanes in Sterling Heights and over \$11,000 was raised for two charities.

This event began in 1990 organized by Tom McKay, the late Ken Charrette and the late Lou Ivancik to raise money in Steve Cruchon's name to fight cancer and honor Cruchon with a memorial at the national Bowling Hall of Fame. While the causes are the same, the event was re-named several years ago.

Thirty doubles teams gathered for some friendly competition and raising money for Karmanos Cancer Institute and the International Bowling Hall of Fame and Museum. After three games of qualifying, the top eight teams squared off in singlegame single-elimination match play to determine who would be the champions.

Larry Kinsman and Joel Sand qualified in the eighth and final spot with 1,301. The Kinsman-Sand duo won their first two matches to advance to the finals.

Qualifying second Steve Scherle and Tim McKay with 1,359. They won their first two matches to advance to

The championship match wasn't even close with Scherle-McKay prevailing over the Kinsman-Sand team with a 422-365 victory to take home the championship.

On the other end of the spectrum brothers Phil and Hank Giacona ended up in last place, which will put their names on the toilet seat.

The top eight teams won a bowling ball. Manufacturers and pro shops in support of the cause donated the bowling balls. Thanks to all and a great deal of thanks to Kevin Wojcik for working with the manufacturers and pro shops to round up the balls.

Much thanks to the McKay Committee and the MDUSBC Board for their support of the event. Members of the McKay Committee are Scott Barker, Roy Biggs, George Bresinski, Tom McKay, Scott McLeod, John Vorpagel and Kevin Wojcik.

Next year's event is scheduled for early December at Sterling Lanes.

### Mid-Season Update

It is critical that league secretaries return the December 31st average sheets for adult and youth leagues to the MDUSBC office. This information is used when verifying the results of the various MDUSBC tournaments. If you haven't sent it in yet simply mail or fax the form to us. The fax number is (248) 443-2690.

Along with the December sheets a list of bowlers registered in their league who had not paid their membership fees in any league according to our records.

While many of these have been resolved, some are still lingering. There are many reasons why this situation may have occurred.

One reason could be a lack of linking two bowlers with similar names together. One card may have been received with a first name of Charles, while the other may be Chuck or some other name the bowler goes by. Remember the Metro Detroit USBC Association database has over 350,000 names in it, so sometimes it is difficult for us to figure it out.

It also causes us extreme difficulty when the December 31st sheet comes in with added bowlers and no application cards for the bowler.

Many times, they only come in with a first initial and last name. Do you know how many J. Smith's there are in the MDUSBC? Unbelievably there are 288 of them.

League secretaries when you get this letter about the bowlers get the information requested and mail or fax it back to us. We want to make sure everyone is accounted for.

### League(s) of Her Own

As many of you know, my two favorite sports are bowling and baseball. I had the pleasure of sitting down with an amazing lady, Miss Mary Moore, age 87, of White Lake, who shares my passion for both.

Mary currently bowls at Wonderland Lanes in Commerce Township in the Crazy Eights league on Monday nights with an entering average of 133. She has bowled in this league since 2013-14 season, but her history in bowling goes back to a time when she competed in the Bowlerettes, where she had to wear a skirt!

She also has competed in what was the Michigan Bell Tournaments, which was her employer for 35 years. She was a 3-time champion in that tournament. Her highest game was a 267 that she shot at Firebird Lanes in Pontiac. She also competed in Bowling for Dollars at Thunderbowl, but only won \$7 for her 7-pin knock down.

But Mary's history that she is most proud is baseball.

Growing up in Lincoln Park with brothers and neighbor boys, she played baseball all the time. They would use a sickle to mow down fields, so they had their own playing field. She shared a paper route, so she would have money to buy baseball equipment. Of course, during the 1940's there was no baseball leagues for girls. She graduated from high school in 1950 and went with friends to try out for the All-American Girls Baseball Association in Illinois and ended up playing for the Springfield Sallies.

They would travel to 21 states and Canada in 3 months playing primarily night games. In 1950 she had the pleasure of competing in a game at Yankee Stadium! It was during this year that Mary led the Sallies in many categories, including games played, hits, home runs, total bases, runs scored and RBIs.

During baseball season, she made \$25 per week + \$21 meal allowance. The "stars" on the team would make up to \$150/week which was good money! In comparison, once she no longer played baseball, she made \$49 a week at Michigan Bell.

During the winter the ladies from this area would practice at Kronk gym and she took a job in an automotive parts plant to earn money during winter months. It was during this employment that she injured her right hand. She lost part of her middle finger and damaged the other fingers on her throwing/batting hand. She continued trying to play, which was very difficult to grasp a baseball or a bat. Then an ankle injury in 1952 ended her career.

But this did not stop Mary. Once her career ended with baseball, she switched to softball...bigger ball, easier to hold on to! Her final Slo-Pitch softball season was 2010 in Northville.

In 1991 another interesting turn for Mary. She went to Skokie, Illinois, to try-out for a movie, A League of Their Own. And yes, she made it! Mary is in the last scene of the movie sliding into home! Her pictures and scrapbook include pictures with the movie's director, the late Penny Marshall and other members of the

team! She also has rubbed elbows with Ernie Harwell, Dave Rozema, Alan Trammel, Johnny Bench, Jim Leyland, and so many more incredible baseball players.

Page 3

As you can imagine, she is so proud of her accomplishments on the field. Slow down? Nope. In January, Mary has been invited to the Fantasy Camp for the Red Sox at Jet Blue Stadium in Fort Myers Florida where she and a few other ladies will be there to support girls in the sport.

Mary will also be using her 5-finger hole bowling ball in March at the Michigan State Women's Tournament in Muskegon and she will continue bowling on Mondays at Wonderland.

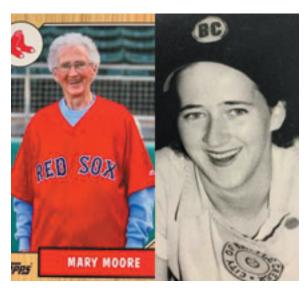

She thanks God each day for allowing her to get up. She takes one prescription medication only! And, she wouldn't change a thing about her life...except maybe that hand injury...but even that opened other doors for her.

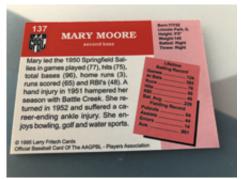

Special thanks to Kathy Mack for the "introduction" to Mary.

If you have special people in your league I can chat with, please let me know.

Mary, the pleasure was all mine!!!! Thank you for sharing your incredible stories.

God Bless!

### It's More Than Bowling

The Metro Detroit USBC is a local 501(c)3 organization for certified bowlers under the auspices of the national USBC. This is a formal definition. What MDUSBC is foremost though is a service organization which is led by a group of people who are extremely dedicated to our sport and the community.

The MDUSBC Board is a group of volunteers who give of their time, energy, and weekends for the benefit of bowlers throughout the metropolitan Detroit area. The Board of Directors meet bi-monthly as a group and as needed in committees. They direct the association manager who with office staff run the daily operation. It is a lot of work but it is a labor love.

As a nonprofit the association works for the common good of the bowling community and the community at large. The raffle tickets the

association sells three times a year benefit veterans, cancer research, and the fight against breast cancer. The board has contributed to the Detroit Zoo in sponsoring and decorating a tree at Christmas. Our BVL funds help the PTSD outpatient group at the John D. Dingell VA Hospital. The Board of Directors is always thinking of ways to contribute to the greater good.

Last year then VP Kurt Suokas suggested that the board forgo exchanging white elephant gifts at Christmas and instead contribute to a charity. In this first effort "Mittens for Detroit" was picked for the project. Sixty-seven pairs of mittens (gloves) were collected for the charity last year. This year the charity choice was for the Gleaners Community Food Bank. The Christmas endeavor produced 140 pounds of food collected for the community.

The MDUSBC Board is a dedicated group of bowlers who tirelessly give back to the bowling community.

Until next time!

## PBA Tour does the right thing, makes PBA Playoffs a Tour title, retroactively awards Kris Prather title for 2019 Playoffs win

The PBA Tour generally does the right thing when it's an obvious thing.

Such was the case when PBA announced that the PBA Playoffs would be a Tour title event in 2020, and that Kris Prather would be awarded a title for his win in the 2019 PBA Playoffs. Prather beat Bill O'Neill in the title match to win the 2019 Playoffs.

PBA Tour Commissioner Tom Clark said in a message exchange that he made the decision after discussing it with Brad Miller, chair of the PBA Players Committee.

"He was OK with it," Clark said. "I think we all just needed to see the event play out the first time in order to get to this."

Clark followed the sentiment of the

Players Committee in not making the 2019 Playoffs a Tour title event, but I don't think anyone who watched the intensity of the PBA Playoffs could disagree with Clark's assertion that the event "earned" the designation of a Tour title event.

I wrote that when the Playoffs happened last spring, and also noted that the PBA Tour Finals was a Tour title event and it wasn't nearly as significant an event, with a similar style of qualifying and competition.

Prather now has two PBA Tour titles.

The 2020 PBA Playoffs will follow the format established in its first year, but with the rounds being held at Bowlero centers in difference cities, where all rounds in 2019 were at famed Bayside Bowl in Portland, Maine.

PBA members will earn competition points in 13 tournaments between January and late March, with the top 24 advancing to the Playoffs. All matches will air on either FS1 or FOX.

On a somewhat related note, I wouldn't be opposed to PBA designating the ATX Invitational and the China Tiger Cup as Tour title events if the PBA Tour Finals is a title event, since both involve a significant number of tournaments to qualify and then match play to win.

The PWBA said it will hold at least 10 Regionals in 2020, six in conjunction with PWBA Tour stops, and the top 10 regional players will earn bonus money in the "BowlTV PWBA Regional Cup."

The highest points-earner in PWBA Regional competition will earn \$3,500 in the BowlTV PWBA Regional Cup. The total prize fund is \$13,000 and 10<sup>th</sup> will earn \$500.

Four Regionals will be held prior to the 2020 PWBA Tour. The 10-event schedule is at the bottom of this story.

"The addition of PWBA Regional events to the offseason calendar was a high priority to encourage more athletes to experience PWBA competition," PWBA Director of Operations Tennelle Milligan said. "It is important to provide high-level competitions to women bowlers throughout the year and to offer a starting point for those who want to compete on the PWBA Tour."

All PWBA Regionals are 1-day events. The offseason Regionals will take place on either Saturday or Sunday, while the tournaments held with a PWBA Tour national event will take place on the Sunday following the event.

The entry fee is \$100 for PWBA members and \$150 for non-members. Each event has a minimum guaranteed prize fund of \$4,000, with a 1-in-3 cashing ratio. Competitors must average at least 180 to enter and the field is determined by the number of lanes available at each center.

The format is eight games of qualifying before the field is cut to the top four for a stepladder finals.

PWBA national champions and PWBA Elite members are not eligible for regional competition. PWBA Elite is designated as any PWBA athlete in the top 24 in points at the end of the previous PWBA season, or in the Elite field for the current season, once that field is set.

All PWBA Regional events will be webcast on BowlTV.

### DiRupo, Allen elected to USBC Hall of Fame

ARLINGTON, Texas – Marianne DiRupo of Succasunna, New Jersey, and Patrick Allen of Garfield, New Jersey, have been elected to the United States Bowling Congress Hall of Fame for Superior Performance.

DiRupo and Allen were on the ballot of six men and two women voted on by a national panel of USBC Hall of Fame members, veteran bowling writers and USBC board members. Though each fell short of the required 70 percent of the votes cast, the USBC Hall of Fame Committee selected the two candidates for induction.

The selection of DiRupo and Allen completes the six-member 2020 USBC Hall of Fame class. Patrick Healey Jr. (USBC Outstanding Performance), Bob Learn Jr. (Veterans), and Andrew Cain and Jim Zebehazy (both in Meritorious Service) were elected by the USBC Hall of Fame committee in late October

The 2020 USBC Hall of Fame Class will be inducted April 29, during the USBC Convention at The Orleans Hotel and Casino in Las Vegas.

Visit BOWL.com/HallofFame for more information on the USBC Hall of Fame.

## The USBC Rules department busts some of the most common myths about rules and their interpretations

#### MYTH#30: A team or individual can prebowl for the first league session.

**CONFIRMED:** USBC Rules do not prohibit prebowling prior to the first session of the league. When teams or individuals are granted permission to prebowl, the bowlers must pay for membership prior to completion of the first series as stated in Rule 101a. Therefore, arrangements should be made withthe league secretary for bowlers to purchase membership prior to completing the pre-bowlor the bowler can purchase the membership through BOWL.com.

#### MYTH#31: Youth can compete in tournaments using bowling balls with beer logos.

**BUSTED:** Beer logo bowling balls are USBC approved; however, legislation was recently passed to eliminate the use of bowling balls depicting alcohol in any USBC Youth tournaments. Other restrictions in USBC Youth tournament play are no equipment or apparel depicting tobacco, illegal substances, or inappropriate language or gestures.

#### MYTH#32: USBC provides receipts for payment of membership dues.

**CONFIRMED:** It is the perforated section on the right side of the membership application card. Complete this section and make sure the league secretary signs the receipt. This is especially important for those members that bowl in multiple USBC leagues and participate in tournaments. Without the receipt, you can expect a league secretary or tournament manager to ask for payment of membership dues. Anyone that bowls in a USBC league must complete a membership application card for each league and purchase membership or show proof of membership. A bowler cannot wait to pay membership dues "next time"; dues must be paid prior to the completion of the first series bowled in a USBC league according to Rule 101. There are some instances where a league is in another local or state association. Dues must be paid in each state and local association a member participates in. The receipt will verify payment of national dues in this case.

#### MYTH# 33: Ties in standings can be broken with total pins.

**BUSTED:** Ties in the standings cannot be broken with total pins according to USBC Rule 113. A roll-off must be conducted to break first place ties. Prizes for other ties should be combined and distributed evenly.

#### MYTH#34: Once adopted all league rules are final.

**BUSTED:** League rules can be changed by a majority vote prior to the first scored ball being thrown, even if after the organization meeting. League rules may also be changed after the first ball is thrown but only by written unanimous consent of each team captain or their designated representative.

### MYTH#35: Leagues must grant postponements due to snow.

**PLAUSIBLE:** USBC holds that inclement weather is sufficient cause and therefore the team must be granted the postponement if the team cannot field a legal lineup. If the team is able to field a legal lineup the postponement does not have to be granted.

#### MYTH#36: You can throw a ball with a pin in the gutter.

**CONFIRMED:** A bowling ball must not come in contact with anything before hitting the pins on the pin deck. If the ball hits a pin in the gutter, otherwise known as deadwood, the delivery counts, but resulting pinfall does not count (Rule 6b-Illegal Pinfall). A downed pin on the lane is also dead wood. USBC recommends dead wood is removed prior to making a delivery so you do not lose your opportunity to score. Illegal pinfall can also occur when pins ricochet after hitting deadwood and knock down pins.

### MYTH#37: You cannot substitute a bowler during a game.

**BUSTED:** Rule 104a-8 allows the team captain to replace a player during a game. The player cannot return to that game but can bowl any other game in the series.

### MYTH#38: A bowler gets zeroes if they bowl one or two games and quit.

**BUSTED:** A bowler cannot be forced to finish a series. When a bowler decides not to complete a series, the league absentee score is used for the bowler, unless an eligible substitute is used.

#### MYTH#39: Substitutes cannot be on the roster.

**CONFIRMED:** Only members of a team should be on the roster. In the case of a league having assigned substitutes, they should be maintained on a substitute list.

### MYTH#40: Scores from one league can be used for postponements of another league.

**BUSTED:** Scores cannot cross over leagues. The scores being bowled during league play are bowled for that particular league and cannot be used for another league.

#### MYTH#41: The team winning the most segments in a split season league is the league champion.

**PLAUSIBLE:** A league may adopt a rule that declares a team that wins all segments the league champion. However, if there is additional money set aside for the teams in the playoff, the league must hold a playoff.

#### MYTH#42: If there is a tie for first place after position round a tenth frame is bowled to determine the winner.

**BUSTED:** If the position round is at the end of a segment in a split season league or the end of the season, a roll-off must be held. The roll-off consists of the same number of games using the same point system used within the league unless the league rules state otherwise. If the teams are tied after the roll-off, then an additional tenth frame is bowled until the tie is broken.

### Being in the Right Places at the Right Times

### STRIKES ME

By Bob Johnson Bowlers Journal International

We were working on Christmas cards — yes, we still send them, and believe that Facebook greetings do not count — just after Thanksgiving. Like a lot of people of a certain age, we also still send out a "newsletter" with our cards, although we recognize that not everyone may read it and thus refer to it as a "snooze-letter."

My journalism schooling and training taught me to keep the word "I" out of my writing as much as possible, but I had to acknowledge in that snoozeletter that a highlight of the year was being inducted into two national bowling halls of fame — first the PBA's in January, and then the USBC's in May.

They were humbling experiences, made even better by having several teammates from my junior bowling days on hand for the ceremonies. The

biggest turnout was in Las Vegas, where the USBC induction took place. We had to buy two tables to accommodate the group from the late, great Kona Lanes in Costa Mesa, Calif., and it was so much fun having the old gang together, all in one place, some 43 years after the fact.

Being elected to the PBA and USBC Halls of Fame had as much to do with the opportunity I'd been given to cover major events as it did with any writing ability I may have. As I mentioned in my acceptance speech in Vegas, when covering a major sporting event, the main job of the journalist is not to screw up the story.

When I was writing that part of the speech, I was thinking about the story I'd put together about Kelly Kulick after she made bowling history by winning the 2010 PBA Tournament of Champions.

Here's how my feature on that event for Bowlers Journal International began:

As a resident of Union, N.J., Kelly Kulick could not live much farther away

from earthquake country, a rather large mass of land otherwise known as California, and still be in the continental United States.

But much like the temblor savvy folks who populate the Golden State, Kulick knows a thing or two about magnitude.

On the Richter Scale, a 6.0 magnitude earthquake is not merely twice as strong as a 3.0 quake, it's a *whole lot* more intense.

On the Kulick Scale, becoming the first woman to earn a full-season exemption on the PBA Tour, as she did in 2006, registered about a 4.0.

Becoming the first woman to win a PBA Tour title, as she did on Jan. 24, 2010, registered about an 8.0.

And the fact that her victory came in a *major* tournament — namely the PBA Tournament of Champions — pushed that reading to about a 12.0.

Were it an actual earthquake, it would have turned California into an island and transformed Las Vegas, which hosted the tournament, into a waterfront resort. So long, Gila monsters; hello, seagulls.

It is almost impossible to overstate the magnitude of Kulick's history-making performance. While simultaneously bruising the egos of countless male chauvinist pigs and giving females from pre-school to grad school a new reason to dream, it also gave bowling massive exposure at a time when the sport and the business really need it.

Now here Kulick and I were, not quite 10 years later, both being inducted into the USBC Hall of Fame on the same night and in the same city in which she'd won the Tournament of Champions.

But that wasn't the best of it.

Also among those inducted that evening were Mika Koivuniemi and Chris Barnes, the two bowlers Kulick had defeated on ESPN's telecast of the Tournament of Champions' stepladder finals. Seeing Kulick, Barnes and Koivuniemi inducted in the same class brought into clear vision how fortunate I'd been to cover the 2010 Tournament of Champions.

Having a job that enabled me to be there was the first key. Not screwing up the story about the event was the second.

Some bowlers... and some writers... like to tell you how great they are. I am the first to acknowledge how *fortunate* I've been. And in the Christmas cards we sent to the Hall of Famers for whom we could track down addresses, I let them know how mind-blowing it is to be in the same Hall of Fame as they.

There was a huge turnout of USBC Hall of Famers on hand for the 2019 induction ceremonies in Las Vegas. Kelly Kulick gave a heartfelt acceptance speech that included a "letter" to her late mother. Also among the inductees were Mika Koivuniemi and Chris Barnes, the two bowlers Kulick defeated on TV to win the 2010 PBA Tournament of Champions — an event that fellow inductee Bob Johnson covered in person for Bowlers Journal.
